

Ringway Primary School

Autumn 1

Dear Parents/Carers

I would like to start by welcoming everyone back to school. I hope you all had a lovely summer, we have enjoyed hearing about what the children have been getting up to. Everyone looks very smart and eager to start their school year at Ringway.

As always, we will keep you updated with what is planned in school during the first half term. Please make a note of important dates for your diary. Although we do try and keep you all updated throughout the year it is useful if you have the relevant dates at home as well.

Your child's topic information is printed on the back which gives an overview of what they will be doing over the first half term.

Macmillan Coffee Morning

We are taking part in Macmillan's annual fundraising event this year.

This will be held on Thursday 26th September in the school hall 2.00—3.20pm. Everyone is welcome!

We would be grateful for raffle prize donations from w/c 16th September.

We will also require cake donations which should be brought in on the day.

All money raised will be donated to Macmillan. We look forward to seeing you there.

Reward System

We are starting the new school year with a new reward system.

Every pupil will be given a reward chart. Children will be awarded a stamp on their chart for achievements they have made throughout the term. This could be for good work, kind behaviour, doing the right thing, having good manners or being a good friend. The list is endless.

Once they have been awarded 10 stamps then they will choose a prize from a goody box. They will continue to be awarded stamps and given a prize for every 10 stamps achieved. The children are working towards silver and gold awards and extra special prizes will be given to those that achieve these awards.

The reward system will start again at the beginning of each term.
